 241 1 volume, 0.29 linear feet, 0.59 cubic feet  
 261 Blueprints and sketches for utility installations.  
 27X Sketches of hundreds with a key to different utility lines. Key shows toll lines, sub. lines and attachments to foreign companies' poles. Sketch also shows localities and school district numbers. Blueprints and proposed sketches follow relevant hundred sketch, show company name, purpose of proposal with location, approval date, signatures of County Engineer and Clerk of the Peace and the drawing number. Proposed sketches show approval stamp of Levy Court with date. Sub. in description was abbreviated as such on documents. On the sketch of the hundreds a red line marks the main line and other, possibly secondary lines were black. These black lines were referred to on the key as "sub. lines."  
 29X Dated - 1916.  
 310 All blueprints and sketches are attached to pages.
