 261 Lists provide statistical information on status of existing schools in
 1830.
 27X The school commissioners appointed to draw of school districts gave
 themselves the task of compiling information on the status of education
 in their respective hundreds (cf. Minute Book of School Commissioners,
 1830 in this collection). Entries on the lists include district number,
 number of children between 5 and 21 in each district, number of schools
 in each district, names of teachers, number of scholars in each school,
 and the salary paid to each teacher.
