 261 Applications submitted by property owners for building, construction,
 alterations or repair projects needing county approval.
 270 Building Applications show date of application, name and address of
 property owners, location of proposed building, specifications for
 proposed building, estimated value of work, approximate date of
 completion, fee paid, and signature of applicant and Chief Building
 Inspector. Later records may include a field and file copy of the
 building permit, hand drawn map of the property, and certification of
 zoning compliance. In the first box are three notebooks listing
 complaints received by the office, 1986-1988.
