330 Arranged chronologically by year of book. Some volumes are first separated by hundred or representative district and thereunder chronologically.
331 Birth and death information abstracted and input by volunteer into Access database, 11/1999.
332 Handwritten.
350 Digital copies on DPA website.
360 Fair/poor; acid damage; storage damage; dirt damage.
390
430
900 Many of the volumes use a fiscal format in the time span covered, beginning at a point in one year and ending at the same point in the next year. March seems to be the month most used for this coverage.
990 12/09/1987
995 May 11, 1989; June 2, 1989; March 27, 1996; July 14, 2015;
999 Removed from Poor Accounts RG 3230. Folder span dates need to be rechecked as many do not reflect the years covered.
