261 Specifications, contracts, and proposals for almshouse renovations and heating systems, agreement for electric service provided to the almshouse, and price quotes and agreements for goods or services provided.
27X The specifications and contracts give the name of the project and its location, the date, a description of the materials to be used, actual requirements of the project, and the costs of the project. The agreement to provide electrical service shows the date, names of parties involved, the location of the property, the conditions of the agreement, and the costs. Price quotations show the name of the company giving the quotation, date, goods or services provided, and the costs. Price quotes are fertilizer, coal, and food stuffs.
