 261 Index to names found in criminal or judgment dockets.  
 270 Entries include name of litigant, location in dockets by volume and page, and date of entry into criminal or judgment docket. The book served a dual purpose, an index and a record of expenses incurred by the sheriff between the 1877 and 1881 court terms. [See the fee book description RG 3455-013 for more information.] This is an unusual finding aid in that names are entered in random fashion, as in a ledger book. Criminal/continuance or judgment docket reference and page numbers are noted with each entry. The criminal docket noted could be a continuance docket.
