261 Annual school board election records are composed of the poll list, certificate of election returns, and oaths of office for the election officials. Delaware School Code 1919, ss 60, 115, 158, mandated that the election officer send one copy of each to the Clerk of the Peace as certification of the results of the school board elections.

27X The poll list includes date, location of election, and name and post office address of voter. The certificates of election returns contain the name of the town, school district number and name, dates of election, number of ballots cast, winners, votes per winner, length of elected term, and signatures of presiding officers and the two judges of the election. The oaths of office are the sworn statements of the election officials to perform their tasks in an honest manner, and include name of election official, signature, election date, and signature of person administering the oath. The 1951 record also contains a list of candidates in the districts, and instructions for the day from the Clerk of the Peace.
