 261 Recorded copies of wills probated and appointments of administrators for those persons dying intestate.
 270 Entries on wills show name and residence of testator; names of heirs and executor; terms of will; signatures of testator, witnesses and register; dates of will and acknowledgment; and date for granting probate. Appointments of administrators show names of administrator, deceased and register, and date of appointment. Occasionally the testator's occupation or position is noted in the will.

NB: Will Books "A, B, C, F and G" are bound within one volume, labeled the same. The entries to each of those volumes had been transcribed from the original book. Currently, only the originals for books "A", "F" and "G" survive. The combined volumes of "A, B, C, F and G" included page references to the original books from which each was compiled. The first three entries in Volume "A" are will abstracts from a Kent County court record volume. Will Book "D" contains the original version. However, when the volume was rebound, the original volume "G" was added here and placed in the front of the book. Added to the back of this same volume also were entries from a Kent County Orphans' Court Docket, (1718-1722).

290 First volume labeled "A, B, C, F and G." Volumes in box are labeled A, F, H and old H (pp. 180-204 only).
