261 Record of initial court appearances including a brief abstract of court action for each case.
27X Entries show court term, case number, names of plaintiff and defendant, type of writ issued or court action pending, occasional notations of further court actions, and case continuances, or final dispositions. Generally, at the end of each term, a record was made of other court activities such as road petitions, slave manumissions, insolvent petitions, and applications to practice law before the court. Case references from 1782 through 1794 can be located in the execution docket for that time period as the entry format for both was identical. Earlier Common Pleas recordings (1703-1721) are noted in series #3800.0 Court Dockets and 3815.31 Court Dockets.
29X "Appearances, Court Term," "Appearance Docket Court Term," on some books.
