430 Apparently this series was discontinued. Kent County WPA questioned the
Index set and why they were discontinued. New Castle County's series
ends in 1914 and Sussex County comes up to 1919. However, a note on the
Sussex County description (4840.20) mentions discontinued by Court
Order. No further explanation is given. WPA never found the volumes,
although they were filmed in the early 1960's.
