261 Record of property owners connecting to the West Rehoboth Sanitary Sewer District and the Long Neck Sanitary Sewer District sewer lines.  
270 The record consists of a letter to the property owner and a copy of the Application for Building Sewer and/or Water Service Pipe Installation. The letter from the Engineering Department informs the property owner that his property has been connected and inspected. It shows the date, name of property owner, place of residence, account number, and permit number. The Application shows the payment check number and amount, permit number, tax map number, front footage in feet, property address, description of the premises, how the septic tank will be made safe, the signature of the plumber, signature of the inspector and date of inspection, signature of the permit approver, and the date the permit was granted.
