 261 Primarily specifications, contracts, and blueprints for the construction
 of silos and a horse and cow barn in 1930. Also includes bids submitted
 for other construction projects as well as applicable purchase or lease
 agreements.
 27X Specifications explain the bidding process and describe the procedures
 and materials to be used by the selected contractor. Contracts and
 agreements detail the work to be done, amounts to be paid, and deadlines
 for work completion, if any. The signatures of the involved parties are
 also on the documents. The blueprints consist of the architectural
 drawings made for a barn erected in 1930.
