 261 Correspondence to and from the Comptroller's office.  
 27X Correspondence generally concerns financial matters relevant to the  
 function of the office. For example, purchases of equipment and  
 materials for county usage, payments and receipts from private and  
 individuals in county offices for fees collected and salaries paid.  
 File headings include mother's pension, CCC camp, Hospitals, justices of  
 the peace, airport, and inventories and appraisals of county owned  
 properties.  
 29X  
 310 File on alarm system includes photostats of photos and a photo of  
 company demonstration.
