241 0.13 cubic feet, three booklets (in cf box with 4200.15, 4453.5, 4453.8,  
and 4453.10)  
261 Inspection and survey of insurance coverage from the Insurance Company  
of North America on the property supervised by the Board of Trustees.  
27X The reports show the findings of inspection and survey of properties  
monitored by the board. Included in the information is a fire rate  
analysis, fire prevention recommendations, estimated insurable value of  
buildings, current policy and form analysis, extended coverage  
endorsement, contents coverage, suggested changes to existing policy,  
fire extinguisher location chart, and maps of the county farm grounds.  
A contract between the Board of Federal Prisoners and the Board of  
Trustees (1947) is also included.

29X  
310 The 1941 report includes eight photographs of county structures in  
Georgetown.
