261 Lists of taxpayers and the amount of their assessed personal and
property taxes. Many document taxables that have problems with their
taxes or have failed to pay them.
27X Shows name of taxable, page number, number of acres and lots, property
assessed, and rates or total assessed. These lists often contain
reasons for non-payment such as taxable has moved to Ohio, or taxable
is in the poorhouse or has died. Some lists consist of land transfers
only. A ca. 1866 document is a list of slaveholders in the county. It
shows the hundred, name of slave owner, page number in the assessment
book, number of slaves, assessed value, total number of slaves in each
hundred, and total assessed value in each hundred.
