 261 Cards used to record various types of information on property in the county for taxing purposes.
 27X Cards show property owners name, address, transfer number, description of property, previous owners, date of sale, sale price, land value computations, assessment record, and tax value. Cards many show amount of frontage, depth, unit value, and total; whether land is tillable, has pastures, timber, swamp, or if it is a home site; if property is level, high, low, rolling, swampy; if it has city water, sewer, gas, or electricity; if the street or road is paved, unimproved, or has sidewalk; if the district is improving, static or declining; soil type; land class, drainage, fences. Assessment record section shows year of assessment and assessed value of land, buildings, and total. The reverse side of the card describes the type of building and its construction descriptions include type of occupancy, foundation, walls, roofing, floor construction, number of rooms, floors, interior finish, heat, plumbing, tiling, lighting and design. Also included are square footage of the building, a sketch of the building and a summary of the building showing when it was built, replacement value, condition and value.
