261 Financial record of funds deposited with and withdrawn from the Orphans'  
Court. Most of these accounts relate to money held for minors.  
270 The ledger shows the name of the account, date of transaction, amount  
deposited, where deposited, certificate of deposit number, and docket it  
was recorded in. When money was withdrawn, entries include the date of  
payment or loan, who received the money, check number, docket recorded  
in, and amount. The name of the account is usually the name of the  
minor(s) or widow and includes the name of the decedent. Some entries  
show the age of the minor.
