261 Record of the meetings of the Board of Commissioners, later called the  
Town Council.  
270 Minutes show the date and place of meetings, names of members in  
attendance, matters discussed, ordinances and resolutions passed.  
Business discussed includes election of town officials, drainage, court  
of appeal for tax assessments, tax collection, approval of building  
construction and permits, street lighting, bills approved for payment,  
firefighting, street car line, street paving, water service, Oak Grove  
School, treasurer's report, and committee reports. The original Minute  
Books are for the years 1909-1936, 1940-1946. Minutes on microfilm are  
for 1909-1991.

One volume is a sewer record book, 1933-1939. It has extracts from the  
Minute Books that relate to the sewer system, as well as sewer and  
street expenses, and the sewer construction fund receipts and  
expenditures (1934-1937). The project was funded by the Public Works  
Administration.
