261 City rules and regulations passed by the Newark City Council.  
270 Ordinances generally show the Ordinance number, title, description of the regulation, date of first and second reading, date passed, number of votes for and against, signatures of the Mayor and Secretary of the Council, and later, the signature of the City Solicitor. Frequent subjects include alderman, animals, annexation, assessments, building codes, elections, electric service, employees, housing, motor vehicles, parking, Planning Commission, police, sewers, sidewalks, streets, subdivision, telephones, water, zoning and rezoning. The early volumes have many plots related to property that was rezoned.
