261 Records relating to electric and telephone poles and lines in the City of Newark, Bureau of Census forms, reports, and procedures.
270 The early records consist of an agreement between the Wilmington Automatic Telephone Company and the Wilmington City Electric Company for the joint use of poles, 1914; a City resolution authorizing the Wilmington Electric Company to erect poles and string wires, 1914; and an agreement between the Wilmington and Philadelphia Traction Company and the Council of Newark for use of poles, 1921. The second box has various U. S. Bureau of Census forms, administrative reports, and Agreed-Upon Procedures on Municipal Grants.
