261 Record of property assessments created for tax purposes.
270 The 1950 list is a handwritten list showing property owner's name and assessment. The ca. 1971 list has the names, assessment, and may show the property location, number of acres or square feet, and other information about the property. The 1983, 1992, 1996-1999 assessment lists are computer printouts. They show the owner's name and home address, Cheswold property address, reference number and hundred, transfer number, property assessment, capitation tax amount, school tax amount, deed book reference, and tax map reference number. They also note if the property is improved or has a trailer. If a trailer, the year, model name, and dimension are given. The 2006-2007 list shows the owner's name(s), owner's address, amount of the assessment, and the amount of tax due.
