261 Record of taxes paid for the maintenance of the Dover Water Works and
the interest paid on bonds
270 The record shows name and address of resident, assessed value of
property, tax assessed, date paid, how paid, and amount paid. At the
back of the books is a section for African-American residents. Also at
the back are notations by the town treasurer of tax monies received from
the tax collector. At the back of the 1887 book is a list of additional
taxpayers.
