261 The Downtown Dover Development Committee (Corporation) (DDDC) was
created to lead the City in its downtown redevelopment efforts. Minutes
record the public meetings of the Corporation.
270 Minutes show the meeting agenda, date and time of the meeting, members
present, committee reports, and other business discussed. Committees
include Parking Authority, Main Street Dover, Long Range Planning,
Bayard Hotel, Nominating, Development, Downtown, and Cultural and Arts.
Business discussed usually involved DDDC approval, funding, or oversight
of redevelopment projects in the downtown area. Meetings may have
included updates from the Dover Police Department, State Department of
Transportation, Department of Natural Resources and Environmental
Control, and Capital School District relating to their involvement in
redevelopment projects. Other subjects include appointments, financial
reports, budgets, and new or amended city ordinances.
