261 In 1891 the General Assembly passed legislation authorizing the Town of Milford to issue bonds for the creations of water works and an electric light plant. The legislation required that a Board of Light and Water Commissioners be responsible for construction, management, and operating the water works and electric light plant.
27X The Minute Book contains a copy of the 1891 legislation, notices for a town meeting and town election relating to the water works and electric light plant, statement of construction account, and record of Commission meetings. Minutes show date and place of meetings, Commissioners attending, subjects discussed and signature of secretary. Subjects discussed include elections, construction and purchase of the plant, selection of employees, approval of expenditures, financial reports, and expansion of lines.
