 261 Record of taxes assessed and paid for the City of Milford.
 270 The tax records collected in these volumes document owner names, addresses, value assessments and tax payments owed by property to the City of Milford. Divided by wards, each entry breaks out property taxes and capitation ("Cap") taxes from the total sum owed by each property. Dates stamped on the aforementioned sums indicate when taxes were paid.

These typed records also contain handwritten notes capturing voting history, military service, new properties, and modification of ownership among other changes. Delinquent payments were also indicated when applicable. It's also important to note that though the collection spans 1952 - 1959 there is not tax information for every ward each year.

290 Numbered by year, ward.
