 261 Record of the Milford Planning Commission meetings.  
 270 Minutes show the date, time, and place of the meeting, Commission members and others present, and usually have a meeting agenda. Most of the meetings deal with rezoning requests, site plan reviews, zoning code amendments and ordinances, subdivision reviews, appointment of Commission officers, conditional use requests, comprehensive plan amendments, and land annexations. Present in the files with the Minutes are copies of site plans, Development Advisory Committee Approval sheet, application for site plan review, petitions for rezoning, land use applications, correspondence, resolutions, notices of meeting, and copies of pertinent code sections. The 1983-1995 files have no meeting minutes, just site plans.
