 261 A draft copy of a flood mitigation plan for the City of Milford with
 supporting documentation and flood insurance rate maps.
 270 The plan explains the planning process, the national flood insurance
 program, has a description of Milford's population, economy, and
 governance, identifies hazards with a history of flooding in the City,
 and describes flood mitigation projects. The flood insurance rate maps
 include one for Sussex County and six for various parts of Milford.
 Other records in the box include correspondence, financial documents,
 memos, a flood mitigation plan questionnaire summary, and a Federal
 Emergency Management Agency "Flood Insurance Study."
