261 Maps showing the location of fire hydrants in the Town of Smyrna. They were compiled as part of a project to flow test each hydrant.  
270 The town was divided into six areas with a map for each area. An index map appears at the beginning of the record. Maps show the location of hydrants with their static pressure, residual pressure and fire flow rate. Also included on the maps is the location of streets, roads, bodies of water, and schools.
