261 Record of the Town Council meetings.
270 Minutes include the date, time, and place of the meeting, members in attendance and the proceedings of the meetings. Subjects discussed include election results, tax assessments, sewer lines, street repair, bills approved to be paid, tax exemptions, financial statements, resolutions, tax rates, lists of voters, building permit requests, street lighting, railroad crossings, ordinances, business permits, the formation of a joint Camden-Wyoming Police Department, tree removals and trimming, and the post office merger with Camden. Minutes from joint meetings with the Wyoming and Camden Councils are also present. These meetings recorded the appointment of Camden-Wyoming Water Commissioners, the names of employees and their salaries, the appointment of residents to audit the Commission accounts, and the approval of new equipment or lines. Water Commission financial statements are also included with the Town of Wyoming Minutes.

Also present is a box of loose, random Minutes, 1924-2000. Most are copies of Council Minutes but there are a few from the Railroad Station Renovation Committee, Planning and Zoning Commission, Police Commission, Camden-Wyoming Joint Council meetings, Sewer and Water Authority, and a citizens meeting (1925) about a referendum to close one of the railroad crossings.
