261 Copies of permits issued by the Building Commission approving the erection, alteration or construction of buildings in the Town of Wyoming.
270 The form shows the permit number, date, name of applicant, number of building stories, location, estimated cost of building, proposed uses, type of building and roof, frontage of building, height, length, depth of excavation, type of foundation, width and depth of foundation, signature of the applicant, fee paid, and signature of the Building Commission chairman. The permits are for 1950-1955, and one for 1979.

Also included are monthly building permit reports to the U. S. Department of Labor (1954) and the U. S. Department of Commerce (1994-1997). These reports include statistics on the number of new residential and nonresidential buildings, privately and publicly owned, additions, alterations, and conversions, demolitions, and construction valued at \$500,000 or more.
