261 Record of taxes assessed on Delaware and Maryland residents in the Town
of Delmar.
270 The assessments are computer printouts that are different for each
state. The Delaware assessments (1980-1981, 1989-1996) show the
election district, map number, parcel number, property owner name and
address, property description, what is taxable, and the assessment
amount. The Maryland assessments (1983-1995, 1996-2003) show the
account number, owner's name and address, square footage of the
property, premise address, deed reference, base assessment, current
assessment, total assessment amount, and field card number.
