261 Record of tax payments.
270 The volumes show the year, name of owner, real estate assessment, personal assessment, tax amount, value of public land, improvement value, total tax due, and if paid. For each year there are total amounts for each category. There is also a yearly rentals section at the end for companies and individuals that shows the amount of tax for each. From 1931 to 1948, African-American taxpayers had a separate section in each book.
