261 Record of permits granted for building projects in the City of Lewes.
270 Applications for building permits, 1968-1989, show dates, landowners,
location, size of lot, cost, description of project, and may include
architectural drawings. Files also contain permit booklets for Lewes
Beach (1956-1965) and the Town of Lewes (1960-1969). These show the
permit number, date, landowners, fee charged for permit, location,
minimum cost per dwelling, dimensions of plot, and the signature of the
Secretary of Commission or Treasurer of Lewes. Permits for the Town of
Lewes mostly consist of moving permits or water and sewer projects.
