261 Record of the taxes assessed on property owners in Ocean View.  
270 The 1910-1911 book shows the name of the taxable, a description of the property, the value of real estate, livestock, and other personal property, total value and total assessed value. The newer assessments show the taxpayer's name and address, location, tax map number, capitation tax amount, real estate tax amount, amount of improvements, and total tax assessment. Starting in 1987, the tax assessments are on computer printouts. In one box are assessment audits for 2003-2006. These are computer printouts showing the owner's name, address, land assessment, improvements assessment, gross assessment, amount of exemptions, and net amount.
