 261 The purpose of DSPAC was to develop a climate of harmony, understanding,
 and cooperation which fosters a positive working relationship with the
 Department of Education, local school districts, parents, guardians, and
 others who wish to enhance the educational opportunities for all
 educationally disadvantaged children. These files reflect the
 activities of the Council.
 270 Records include a mission statement, correspondence, meeting minutes,
 State Board recommendations, and annual conference materials. The DSPAC
 was removed from the auspice of the Delaware Department of Education in
 2009.
