261 Record of the meetings of the standing committee created by SB 260  
(2000) to review research in the area of effective professional  
development and make recommendations on the types of professional  
development and professional responsibilities which will qualify  
educators for additional salary increments.  
270 Minutes show the date, time, and place of meeting, members present, and  
a synopsis of the business discussed. Subjects include mentors, cluster  
development, cluster implementation and evaluation, knowledge and skills  
requirements, and cluster proposals. Some minutes include an agenda and  
background materials.
