261 Record of the meetings of a standing committee created by SB 260 (2000)  
to develop a new educator evaluation system that included an overall  
rating, a student-improvement component rating, and identified what  
constitutes satisfactory and unsatisfactory performance.  
270 Minutes show the date of meeting, members present, and a synopsis of the  
business discussed. Subjects include use of student data, performance  
evaluation, school accountability assessment, and a pilot program.
