261 Record of the meetings of a standing committee created by SB 260 (2000).
The committee was charged with reviewing current practice, both in
Delaware and in other states, analyzing work done by predecessor
committees in areas related to teacher preparation, recruitment, and
retention, identifying national and regional trends which impact on
these issues, and making recommendations to the Professional Standards
Board.
270 Minutes show the date, time, and place of meeting; members present and
absent; and a synopsis of the business discussed. Subjects included
teacher education, recruitment plans and strategies, and teacher
retention strategies.
