261 Dover High School Renovation Project Manual and Change Orders.  
27X Project Manual details work to be completed in the Dover High School renovation project and includes addendums, drawings, schedules of alternates, pre-bid attendance sheets, preliminary specifications, instructions to bidders, bonds, general conditions of the contract for construction, prevailing wages for building construction and specifications for renovations.  
Change orders are orders written after the projects starts and document the external and internal changes that are being made to the original project manual instruction or the original plans.
