261 Record of school attendance maintained by teachers at the John M.
Clayton School #97 Registers for 1967-1969 and George Washington Carver
School (Frankford School #206C)1929-1970, a school for African American
students. In 1965 the school was integrated and became known as the
Frankford Elementary School.
270 The register front cover shows the name of the school district, county,
school number, grade, teacher's name, and beginning and ending dates for
the school year. Inside the booklet are Instructions to Teachers, and
may include a record of visitors, reasons for closing school, and the
attendance record pages. These pages show the students' names, days
they were present or absent, and may include monthly attendance totals
for each student, number of days the school was open in the month and
for the school year, number of students who left or attended for the
first time, total number of students for the month, total days attended,
percentage of attendance, average daily attendance, number of pupils
with perfect and good attendance, number tardy, number of visits to
homes of pupils, number of visits to school by patrons, number of cases
reported to the Visiting Teacher, number of days the teacher taught and
was absent, number of days a substitute was employed, dates employed,
name and address of substitute, days closed for meetings, play day, or
other occasion, extra days taught, items of interest to school,
community, and school officials, and the signature of the teacher.

At the back of the booklet may be the students' final grades by subject,
yearly average for all subjects, promotion average, if promoted, dated
entered school, birth date, age on September 1, grade entered, number of
days attended, transportation provided, name of parent, and address. An
annual attendance summary, total number of days school was in session,
number of days taught by the teacher and a substitute, and the number of
years the teacher has taught are sometimes given.
