 261 Record of the meetings of the Milford School Board.
 270 Minutes include the date, time, and place of meetings; names of members in attendance; reports presented; correspondence sent and received; and matters discussed. Subjects include free lunches, delinquent taxes, agricultural projects, board resolutions, building improvements and construction, approval of equipment and services, nurse's report, librarian's report, vocational agriculture report, bills presented for payment, employee hiring, dental clinic, school consolidation, music programs, insurance, "colored school," manual training report, Milford Free Public Library, Delaware School for Deaf Children, audits, war bonds, newspaper clippings relating to school events, and news releases. Original records exist for October 1934 to June 1937, July 1943 to April 1945, and 1972 to 1975. The 1972-1975 material seems to be supplemental material to the minutes, especially two court cases involving the Board, Maurice Barber and John Leone vs. Board of Education and Robert Jacobs vs. Ronald Thom and Lewis Darlin. One box includes only agendas for July 19, 1976 to June 16, 1980 meetings.
