261 Financial record of receipts and disbursements for Sussex County School District #85. It later became part of the Milford School District.
270 The volume shows the total amount of taxes collected, tax rate for the hundred, amount of total assessment, amount of state dividend, various types of school expenses, amount received from the tax collector, and balance due the district. The date it was audited and the signature of the auditor are also present. Included in the volume is a notice of a special election to vote on borrowing money for a new school building, 1915; a copy of the 1855 deed for the school property; and minutes of an annual school meeting, 1917.
