142
200 1956
210 1966
220 1956-1957, 1964-1966
241 1 volume (0.13 cubic feet in a cf box with 8160.4)
261 Proceeding record of the regular and special meetings of the commission,
created during those periods of construction of new structures or
additions to existing structures.
27X Minutes show date of meeting, members in attendance, business conducted,
such as approval of contracts and bids, consideration to changes in the
building plans and discussions of the building program with the
architect. Included with minutes were construction accounts,
correspondence with vendors and contractors, copies of agreements and
drawings of floor plans.
