261 Computer printouts containing student information lists, honor roll lists, class ranking lists, cumulative index lists and grade report lists.
27X Student information's lists show date of list, name of student and parent/guardian, and student's sex, race, birth date, address, and phone room numbers. Honor roll lists show type of honor roll, student name, sex, grade, home room, and GPA. Class ranking lists show grade; student's name, sex, home room, race and credits; quarter average, credits attempt and quality points; current year credits attempt and quality points; previous YTD credits attempt and quality points; cumulative average; class rank; and quint rank. Cumulative index lists give the same information as the class ranking list but is in alphabetical order instead of numerical order of class rank. The grade report lists show the name of the student, classes they are taking, names of teachers, grades, remarks and credit earned.
