261 Photographs taken by A. Cypen Lubitsh of Delaware Memorial Bridge
construction.
270 There are a total of thirty-nine prints, many with corresponding
negatives. Nineteen of the photos are mounted schediographs, artistic
renderings taken from the original photographs. Only one photo is of
the first bridge construction in 1950.
290 "Second Delaware Memorial Bridge, original schediographs by ahr de cypen
(A. Cypen Lubitsh)"
