261 Meyer Keilson was an architect who specialized in stage and motion  
picture theater design. He took these photos during his travels in  
Delaware.  
270 The ninety-two prints depict street scenes, historic and public  
buildings, houses, transportation, and historic markers throughout  
Delaware. Photos were taken in Bethany Beach, Clayton, Dagsboro,  
Federalsburg, Maryland, Fenwick Island, Kenton, Middletown, Newark, New  
Castle, Reliance, St. Georges, Seaford, and Smyrna. Half of the photos  
in the collection were taken in the town of New Castle.
