261 Photographs taken by and/or collected by an unidentified member of the
CCC camp outside of Wyoming, Delaware.
270 The camp was located next to the County Almshouse. Most of the photos
were taken of fellow workers at the camp. A few include the
photographer/collector. Other subjects include the camp buildings,
threshing wheat near Dover, Maryland state line, digging and
clearing ditches, an unidentified school, Camden, baseball games with
the Magnolia and Goldsboro camps, a bi-plane, and Tappahanna Ditch. A
few photos were taken in the western United States and include views
taken in Idaho, Yosemite, Southern California or Arizona, and at the
Pacific Ocean. Most of the photos have brief captions.
