261 Digital images from the collections of the Milford Museum and recent
photographs by Museum member Dave Kenton.
270 One cd consists of photographs and images of maps and plots that were used
in Kenton's book, *Images of America: Milford*, and additional photos that
were not used. The second cd includes historic photos from the
collections of the Museum, recent images documenting Museum events,
exhibits, and artifacts, and subjects of interest to Kenton. Subjects are
primarily Milford related and include street scenes, buildings, houses,
churches, school portraits, businesses, shipbuilding, portraits, and
gravestones. Also included are photos of the Bennett Farm Museum, aerial
views of Cedar Neck, photos of Slaughter Beach and Fowlers Beach, and
Lewes houses including a recreation of the Mispillion Lighthouse. There
are about 947 images. See RG 9015-009-001 for additional Milford
photographs.
