261 Printed proceedings of the annual meetings of the stockholders of the Delaware Railroad Company.
270 These records are primarily annual reports from the President or Director and the Treasurer that provide information on company accomplishments and problems, a financial report, amount of construction costs, number of passengers, and amount and types of freight transported. The 1857 report has a transcript of the speeches given at the opening of the Delaware Railroad and a map showing the connection of the Delaware Railroad with the southern trade and travel.
