261 A Golden Sheaf Certificate and a debate transcript.
270 The Certificate was awarded in 1952 to Jacob R. Weldin for his fifty
years of Grange membership. It is in booklet form. The debate transcript
is from the West Brandywine Grange and is probably from the 1920s. The
debate topic was "That the mental capacity of woman is not equal to that
of man." The transcript provides the affirmation side of this
statement.
